Introduction

This document represents Lambeth Youth Soccer Return to Play Guidelines for the 2021 Spring/Summer Season during the COVID-19 Pandemic. It follows very closely Ontario Soccer's Return to Play Guide which was produced collectively with specialists in sport and exercise medicine, infectious disease, and public health. Our top priority remains the health and safety of our players and coaches, their families, and our communities. Lambeth Youth Soccer is planning to operate our 2021 Spring/Summer Season under the Covid-19 City Zones labelled Orange, Yellow, or Green. Should London move into a Red or Gray zone (or equivalent Provincial Phases), we will suspend all soccer activity.

Lambeth Youth Soccer will ensure the information included on this document is widely available to our members. All Club officials, coaches, and anyone coordinating the training sessions must have read and be familiar with these guidelines. Lambeth Youth Soccer Executive members and/or Coaches should communicate all hygiene measures included in this protocol in advance to all players, and parents/guardians.

A full refund will be given if the season is not able to start because of Provincial Health regulation restrictions due to COVID-19. A pro-rated refund will be given if the season is not able to be completed because of Provincial health regulation restrictions due to COVID-19. No refund will be given due to any COVID-19 restrictions if the season is 80% or more completed.

Hygiene and Safety Protocols

Hygiene and facility protocols will be very important to the health and safety of our players, parents, and coaches. These protocols will include but are not limited to the following measures:

- Lambeth Youth Soccer will follow guidelines and limit gatherings based on restrictions imposed by the Government of Ontario which may include closing the season early due to changes in City of London COVID-19 status.
- All participants are to adhere to restrictions or maximum capacities for fields.
- Lambeth Youth Soccer will provide the volunteers with any protective items required by the health authorities. The club will also provide the necessary sanitization equipment to the coaching volunteers.

Prior to Arrival

- It is recommended that all participants (parent, player, coach, team official, referee) utilize the “Self-Check” on [Ontario COVID-19 Self-Assessment App](#)
- If you experience any of the symptoms, STAY HOME and please follow recommendations and contact your medical health provider.
- Do not carpool unless with immediate family members
- Please do not arrive at the field more than 15 minutes before your scheduled training time.

Upon Entering the Field/Training Space

- Hand sanitizer will be available at all times with each team. Everyone entering the field will be required to use it.
- Masks are highly recommended by everyone upon entry and exit to/from the field.
- Masks will be optional on the field during training for players.
- Single parent/guardian spectators, coaches, and team officials are required to social distance.

- Avoid the use of public toilets, however if necessary, ensure hands are washed thoroughly.

Upon Exiting the Field/Training Space

- There will be staggered activity times between different groups to create at least a 15-minute buffer between sessions and to avoid an overlap of players on the field.
- Wash/sanitize your hands at the end of training.
- Any individual equipment used should be taken home and washed separately from others in the household (e.g., uniform).
- Leave the playing area quickly once your training session has ended, while keeping your physical distance from others.
- Make sure to bring all your personal belongings with you, everything left on the field will be disposed of.

Summary

In summary, the "Return to Play Guidelines" included in this document outline expectations and responsibilities of the parent/guardian, players, coaches, officials, and The Lambeth Youth Soccer Organization. This includes recommendations and guidelines directed at Ontario Soccer affiliated Clubs and Ontario Registered Academies participating in sanctioned soccer activities.

This season will look and feel different from past seasons, but we feel it is important to continue a modified version of our spring/summer program to allow our players an opportunity to play the game this summer, have some fun with their friends and get some fresh air and exercise. We believe that we have put together a responsible and safe program adhering to The Ontario Government restrictions, our City of London guidelines, and recommendations from the London Middlesex Health Unit . We know the program may not be perfect, and will have some challenges along the way, but we always welcome feedback and suggestions on how we can make it better.

Lastly, we know the choice to participate in soccer rests with the individual participant and/or their guardian. This is a very personal decision and must be made based on the trust and comfort you have in our organization and the recommended safety protocols that have been set in place and followed.

We would like to thank Ontario Soccer for all its work in crafting the Return to Play Guidelines that we used to create our Individual Club Return to Play protocols. We would also like to thank all our members for your support, patience and understanding during this challenging time. Lambeth Youth Soccer is a volunteer run organization and wanted to take this opportunity to thank our volunteers for their continued support. Without volunteers the season would not be possible, we are grateful to our soccer community.
